

Zlin, April 26-27

Twenty jodo practitioners – from the Czech Republic, Slovakia, Hungary, and of course Switzerland – took part in a jodo seminar held on April 26–27 in Zlín (Czechia). The seminar was led by Yves Galley, who devoted a large part of the training to the techniques of honte uchi, gyakute uchi, and hiki otoshi. In addition, we practiced kata according to the knowledge of individuals and also Uchida ryu tanjojutsu.

In April 2026, a seminar with Yves will take place in Prague. Join us :)
