

**3. Shinto Muso Ryu Jodo / Haru Gasshuku
in Ravensburg, Germany 4-5 th of May 2024 with
Jan Gerrit Post, Shomokuroku**

Third time already Jan Gerrit came with his wife Hilde and we had a great seminar!

More than 12 hours of training and individual trainings covering from Kihon up to Kusarigama were offered to the participants and gave progress to everybody.

Kihon waza and a few kata from omote for the beginners; Omote-waza for two Ukrainians living in Germany; Kage and Samidare-waza for the intermediate students and some Isshin-ryū kusarigama jutsu ura-waza for Robert.

Two new beginners joined the full seminar and one practitioner returned to jō after a few years. At the end of the gasshuku David Kerrel succeeded well in his 5-kyū examination.

Looking forward the next one, thank you very much to all

Uwe
