

Zlin, 24th – 26th July 2020

During the weekend of July 24-26, we organized a summer gasshuku in Zlin (Czech Republic).

There were 13 participants from Czechia and Hungary. The photo of all participants is below. Unfortunately there are still some travel restrictions for other countries (UA, RU...) so there were fewer of us than usually.

On Friday evening we practiced uchikomi geiko outdoors a bit in a smaller group. Then we worked all together on Saturday and Sunday. We were able to repeat kihon tandoku and sotai, Omote and Chudan on Saturday. Then some more uchikomi, Ran-ai, and new katas for less advanced people on Sunday. Advanced people worked on their own katas - Katka and Christoph Kage, Renata with Josi Samidare and Gohon, Geza and Zdenek up to Oku, and finally we repeated juttejutsu with Josi and Geza. We did not talk too much. We spent our time by intensive training :)
